## May 21st through May 31st

### **Ai, Rebel: The Art and Activism of Ai Weiwei**

"Everything is art. Everything is politics." Globally renowned artist Ai Weiwei is celebrated as a disruptor of artistic canons and a champion of free expression. In his work—ranging across performance, photography, sculpture, video, and installation—he deploys humor and provocation, calling upon his viewers to examine history, society, and culture. This special installation highlights the artistic strategies of his 40-year career for questioning forms of power. It marks the artist's first US retrospective in over a decade and his largest-ever US exhibition.
